Hutton,

I wanted to let you know that we have not taken final action on this yet. I will send the final decision to you once it's been sent to the State. I'm out of the office tomorrow, but can respond to any additional questions when I'm back in the office on Monday. Thanks so much for your patience.

Lisa, can you update me on this please. Has the Georgia narrative water standard revision been approved by EPA?

Thanks,

Hi Hutton,

We have received Georgia's WQS package, and it is currently under review within the Water division.

Thanks,
